MAN
MARCH

2014 Year in Review

The organizers of the 1000 Man March outreach are pleased to present the activities of the year 2014.

Iron Sharpens Iron Conference

1000 Man March held its first men's conference in April 2014. Approximately 140 men attended from various churches. The main keynote speaker was Jonathan Evans.

Kingdom Man Study

During the month of March, we had a weekly Saturday night fellowship and study of Dr. Tony Evans Kingdom Man. Approximately 18 men started and finished the entire program and we then gave the DVD to Church of God Bodden Town to use for their Men's Ministry. We also donated books and materials to the Prison Fellowship as prisoners participated in the study as well.

Father's Day Essay Contest

The second annual Father's Day Essay Contest was held in 2014. Seven schools participated and over 75 essays expressing "What My Father Means to Me" were submitted in the competition. The five finalists were chosen by judges and the first place prize was a brand new iPad Mini among other prizes. Jelani Hanson from GT Primary School was the overall winner. The contest is an initiative to bring recognition to great fathers in our community.

Father's Day 5K Walk/Run

The third annual Father's Day 5k Walk/Run was held in 2014. Over 50 walkers and runners met early morning at Smith Cove Bacadere to participate this year. The walk continues to serve as an opportunity for fathers to exercise and bond with their children.

Board Leadership

We bid farewell to Rev. Leslie Pinnock who moved back to Jamaica. We welcomed 3 new members to the Board Thomas Ebanks, Olivaire Watler, and Neil Brown.

Thank you to our sponsors throughout the 2014 year.
